PLACEMENT / MANAGEMENT

Widely adapted hybrid that will excel on highly productive acres. Low green snap risk. Solid choice for fields with history of Goss' wilt. Semi-flex ear adapts to variable populations.

RECOMMENDED PLANTING RATE

STALK STRENGTH ROOT STRENGTH

- Great combination of strong roots, stalks and top-end yield potential
- Top choice for highly productive acres
- Very good Goss' wilt tolerance and low green snap risk

CONTINUOUS CORN MANAGEMENT

- A fungicide application is recommended to manage gray leaf spot and other foliar diseases.
- · Good choice for fields with a history of Goss' wilt.

KAIING	SUIL CATEGORY
E	LIGHT SOILS – LOW CEC (<10); OM <1.5%; low water-holding capacity; non-irrigated sand; timber soils; marginal productivity; drought prone.
E	MEDIUM SOILS – CEC 11–18; OM 1.5-3.5%; well-drained; silt loam; high productivity.
E	DARK SOILS – HIGH CEC (>18); OM >3.5%; well-drained; dark colored soils.
VG	POORLY-DRAINED – Soils that have the potential to remain saturated for prolonged periods; side hill seeps; gumbo; muck.
E = excellent NR = not rec	t, VG = very good, G = good, F = fair, ommended.
GEOGRA	PHIC ZONE ADAPTABILITY
ZONE ADAPTABILITY	

LEGEND: E = early for maturity, A = average for maturity, L = late for maturity; M = medium, MS = medium short, MT = mediumtall, T = tall; H = high, MH = medium high, ML = medium low; F = flex, SF = semi-flex, D = determinate, SD = semi-determinate. Numerical ratings are based on comparisons among Wyffels hybrids of like maturity where 1 = Low, 5 = Avq, and 9 = High expressions of a trait.

Always follow IRM, grain marketing and all other stewardship practices and pesticide label directions. Roundup Ready[®] technology contains genes that confer tolerance to glyphosate. Plants that are not tolerant to glyphosate may be damaged or killed if exposed to those herbicides. B.t. products may not yet be registered in all states. Check with your Seed Representative for the registration status in your state. RIB Complete[®], Roundup Ready[®], Roundup[®] and SmartStax[®] are trademarks of Bayer Group.
