PLACEMENT / MANAGEMENT

SOIL ADAPTABILITY

drought prone.

RATING

F

Large, full flex ears adapt to a broad range of plant populations. Deserves a place on your highly productive acres, but will maintain yield on lower productive acres.

SOIL CATEGORY

LIGHT SOILS – LOW CEC (<10); OM <1.5%;

low water-holding capacity; non-irrigated

sand; timber soils; marginal productivity;

RECOMMENL	DED PLANTING R	ATE

WYFFELS | REFUGE IN BAG

VTDoublepR0°

W8086RIB

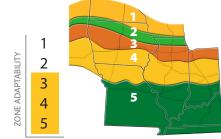

- Exciting top-end yield potential on very impressive, full-flex ears
- Excellent choice for highly productive acres
- Very good drought tolerance and low green snap risk

CONTINUOUS CORN MANAGEMENT

- If corn rootworm management is needed, consider using a proven soil insecticide or choose a SmartStax[®] or SmartStax[®] PRO hybrid.
- A fungicide application is recommended to manage gray leaf spot and other foliar diseases.
- Good choice for fields with a history of Goss' wilt.

EMEDIUM SOILS – CEC 11–18; OM 1.5-3.5%;
well-drained; silt loam; high productivity.EDARK SOILS – HIGH CEC (>18); OM >3.5%;
well-drained; dark colored soils.VGPOORLY-DRAINED – Soils that have the
potential to remain saturated for prolonged
periods; side hill seeps; gumbo; muck.E = excellent, VG = very good, G = good, F = fair,
NR = not recommended.GEOGRAPHIC ZONE ADAPTABILITY

LEGEND: E = early for maturity, A = average for maturity, L = late for maturity; M = medium, MS = medium short, MT = medium tall, T = tall; H = high, MH = medium high, ML = medium low; F = flex, SF = semi-flex, D = determinate, SD = semi-determinate. Numerical ratings are based on comparisons among Wyffels hybrids of like maturity where 1 = Low, 5 = Avg, and 9 = High expressions of a trait.

Always follow IRM, grain marketing and all other stewardship practices and pesticide label directions. Roundup Ready[®] technology contains genes that confer tolerance to glyphosate. Plants that are not tolerant to glyphosate may be damaged or killed if exposed to those herbicides. B.t. products may not yet be registered in all states. Check with your Seed Representative for the registration status in your state.
